CHAPTER 05

Spiritual Forces of Darkness

Section 02 – Dealing With Demons

Chapter 05 – Spiritual Forces of Darkness

It is important to remember that Lucifer, the leader of the realm of darkness, is a prince, not a king. Therefore his realm is a Principality, rather than a Kingdom.

We have gotten into the habit of calling the demonic realm the kingdom of darkness. There is nothing wrong with this, but you need to be clear in your mind that the realm of darkness is inferior to God's realm.

God is a king, not a prince, and his realm is called the Kingdom of God or the Kingdom of Light.

You will see that the highest rank in the realm of darkness is the rank of Prince. This includes Lucifer himself, and other demon forces that he has set in place under himself.

Many have wrongly taught that a demon at this level should be called a Principality demon. But this demon is called a Prince, and he rules over a region on this earth under the main Principality of Darkness.

Even in the natural you would not refer to the leader of such a realm as 'Principality'. You would call him Prince (whatever his name is).

So when Paul lists the different levels of demons that we will look at shortly, the principality demon is more like an ordinary citizen under the supreme leadership of a prince demon.

He is just one of the ordinary demons like ordinary people in a worldly principality. This means that the principality demon is actually the lowest level of demon, and not the highest as you may see taught by others.

I want to make this clear before we look at the various levels of demon, so that you are not confused.

Four Levels of Demon Power

The Scriptures indicate that there are three different groups of demon forces that occur in the earth.

Paul describes it in Ephesians 6:12 when he says,

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

Four groups of demonic powers are described there. The first three refer to powers of darkness that are functioning and operating in the earth.

The fourth operates in the spirit realm that Satan functions and lives in. It is his counterfeit to the realm of God.

The Name of Jesus, the King of Kings, is greater than all of these demon powers, and covers the earthly realm, as well as the realm of darkness, which is considered as being under the earth.

Philippians 2:9 and 10:

*Therefore God also has highly exalted him, and given him the name that is above every name:
So that in the name of Jesus every knee should bow, those who are in heaven those who are on the earth, those who are in the world below [the realm of the dead];*

Principality and Power Demons

Principalities are small insignificant, irritating little demons. They are the kind of demons that put thoughts of temptation in the minds of man and cause irritations.

They do not have much power and there are millions of them. They are the peasants of Satan's kingdom if you please.

They are the privates in his army and the ones that do all his grunt work. In the Spirit I normally see them pictured as little monkeys.

Power demons are somewhat stronger. These are demons that latch themselves on and attack. They cause sickness and disease and such things as drug addiction, bad habits, and bondage in the lives of people.

I usually see these in the Spirit as baboons or chimpanzees. They are slightly larger and more powerful.

Rulers of Darkness

The next level is the rulers of the darkness of this world. This indicates that they are the highest level of demonic power in this world.

Ruler demons are those that control the principality and power demons. The ruler demon is the kind of demon that enters into a person and takes possession of them.

Jesus spoke to the demon in the man that was possessed by the legion. He spoke to the man and the demon answered through the man's voice. He said to the demon,

"What is your name?"

The demon answered,

"My name is legion, for we are many."

This was one demon that was speaking to Jesus, taking control of the man's lips and speaking through his vocal cords.

It was one demon power possessing that man. He was a ruler demon, and he had under him millions of power demons and principality demons - a whole legion full.

Jesus began to come against that ruler demon with all his little demons, and all the demons began to speak to Jesus.

They did not speak to Him through the lips of the man. Because only the ruler demon speaks through the lips of a man, when a person is possessed by a demon and that demon takes manifestation.

But Jesus saw in the Spirit and spoke to those demon powers. It says,

"They all began to beg Him and say, Please can we go into the swine."

As Jesus cast out that demon, the ruler came out with all his principality and power demons, and they all went into the pigs. The pigs then went mad. They ran over the hill, fell into the sea and drowned.

These are the demon forces that are at work in the world. If you come into confrontation with evil powers, they are the evil powers that you will be dealing with.

Deliverance Ministry

Many people have majored on deliverance ministry, casting out demons of lies and lust and every other form of sin.

They will sometimes spend hours, days and weeks casting out demons one after the other. They identify each little demon, casting them out one at a time.

After each session the person is exhausted, tired and sore. And the person who has been casting out the demons is exhausted.

They are probably hoarse from shouting at the demons. And all they succeeded in doing was getting rid of a few principality and power demons, but the ruler demon is still sitting pretty.

I am not going to go into a lot of detail on deliverance yet, because that will be covered later in this book. I just want to point out that you have to deal with the ruler demon before you can get rid of the principality and power demons.

You need to go to the top. You need to deal with the 'guy in charge'. Then you can deal with the other demon powers.

Watch Your Words

These forces are at work in the earth and will oppose everything that you try to do for God.

They will try to counteract the Word that you have spoken by inspiration of the Holy Spirit; the decree that you have sent into the earth. They will try to stop it and block it.

Do you know how they will try to do this? They will do it firstly by attacking you, to try and get you to shut your mouth and change your words. Then they will try to get you to start licensing them instead of the angels of God.

They will try to get you confessing negative things like,

"This is not going to come right and I don't know what we are going to do. We are in trouble. I just can't see us getting out of this."

You may need to change your words.

Your angel was working feverishly getting things done. But suddenly the words stopped and he has to start coming home again. Now the demon power is going to start to work.

What do you suppose he is going to work on? He is going to work on destroying what the angel was setting up.

Be very careful to keep your words in line with the Word of God and in line with the decree that has been sent out.

Keep them in line so that the angels of God continue to work on your behalf; so that they arrange and create in the earth what you have decreed and spoken.

The moment you stop they stop. The moment you authorize Satan, he breaks down what has been built up so far.

You need to come against the forces of darkness on a daily basis. You need to daily commission the angels of God to go out and to do what has been decreed in the earth.

Daily Stand To

When I did my National Army Service in my homeland many years ago I found out something that was very interesting concerning warfare. They found out that there were two times of day when it was most likely that the enemy would attack.

These were, first thing in the morning just as the sun was coming up, and last thing in the evening just as the sun was going down. They explained that if the enemy was going to attack the camp, then those were the times when he would do it.

There was a procedure that we used to follow when we were out in the bush camps. It was carried out every day, first thing in the morning at dawn, and last thing at night at dusk.

The procedure was called a 'Stand To', and every soldier in the camp had a place where he would go, forming a circle around the camp.

Each one would have a little place that was dug out where he could go and lie looking outwards, so the whole camp was covered all around.

When you heard the call and the whistle blowing saying 'Stand To', you ran immediately to your allocated spot. You climbed in there with your rifle, and you loaded and cocked your weapon so that it was ready to be fired.

From your hiding place you then looked ahead carefully as the sun came up and the light began to show. You kept your eyes peeled for any movement whatsoever that would indicate that the enemy was about to attack.

You stayed that way until the sun came up, and until the whistle blew again and said,

"Okay, stand down. The enemy is not attacking today."

The same procedure was repeated in the evening just before the sun went down. Everybody would be there, rifle loaded, ready and watching in case the enemy attacked.

A Spiritual Stand To

The Lord spoke to me and said,

"My children need to learn to have a spiritual stand to. They need to stand against the enemy on a daily basis. They need to stand ready, with their rifle cocked, with the Word in their hearts and with their mouths poised to speak my Word.

They must be ready for any movement from the spirit of darkness; ready for any attack from Satan."

First thing in the morning before your day begins, and last thing in the evening before your day ends, stand ready. He will attack during your sleep if you are not careful. Stand ready and hit him before he hits you.

Paul said we must,

Put on the whole armor of God... and having done all, to stand. Stand therefore...

We must stand against the wiles of the enemy.

Jesus said,

The devil goes around as a roaring lion seeking whom he may devour, whom resist steadfast in the faith.

James 4:7 says,

Submit yourselves therefore to God. Resist the devil and he will flee from you.

This is a spiritual stand to and you should do it on a daily basis. If you do not do it, the enemy will start to get into the camp without you knowing he is there.

You begin to wonder why your spiritual life is dying. You wonder why your provision is not coming or why your health is growing worse instead of better. You did not stand against him.

You say, "Well I prayed. Somebody laid hands on me and spoke forth healing. God promised me. I saw the manifestation of my provision and my prayer was answered."

Then you sit back and say,

"Okay it's done. I can take it easy now. We can party tonight. I don't need to pray."

Be very careful. Don't ever let down your guard where the enemy is concerned.

CHAPTER 06

Spiritual Wickedness

Chapter 06 - Spiritual Wickedness

There is also a group of forces that operate largely in the heavenly realm. Paul referred to it as spiritual wickedness in high places.

In Daniel 10:12 and 13 we read that Daniel had been praying and fasting and waiting on God for 21 days. After that an angel appeared to him and said,

Fear not, Daniel: for from the first day that you set your heart to understand and to chasten yourself before your God, your words were heard, and I have come because of your words. But the prince of the kingdom of Persia withstood me twenty one days: but, look, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia.

The prince of the kingdom of Persia was a demonic prince that was in charge of the whole worldly kingdom that Daniel was in.

Before that angel could come and get through to him, he was opposed by this high-level demonic power in the heavenlies; a demonic prince of darkness.

Satan has set up his system over this world, and he has princes of darkness over every single area. There are princes of darkness in charge of your country. There are also princes of darkness in charge of your city and your community.

They have all been allocated responsibility to oversee the principalities, powers and rulers of darkness that are in that area.

The Council of Wickedness

It goes up like a pyramid until it gets right to the top. When it reaches the top we have Satan, but not just Satan alone.

Satan tries to counterfeit the Trinity. He always wanted to be like God and he wanted to take God's place.

He tried to rise up and take the throne of Heaven until he was cast out. So he has set up a system that copies the system that God has set up.

The Scripture speaks of God as being Father, Son and Holy Spirit - three in one.

Satan has put together three as a governing council to control the realm of darkness which he has tried to set up as his kingdom. He has tried to counterfeit the Father, the Son and the Holy Spirit.

This is something that is not immediately obvious in Scripture unless you look for it.

The evidence is there, but what I will share with you now is something that God first showed me in the Spirit. And as I saw it in the Spirit, I had to get back into the Word to see if I could find evidence.

If I am to see something in the Spirit, I have to have proof in the Word that it is true, otherwise it is difficult for me to receive it.

Much of what I have shared here are things that God has shown me in the Spirit. And I cannot always give you a clear chapter and verse that says distinctly what I have told you.

But I want you to pray about it and look into the Word, and you will find that the Word does not contradict what I have shared. It is there, but sometimes you have to read between the lines to understand exactly what is taking place.

Confrontation With the Council

The first time I ever had confrontation with the three members of what I like to call the 'Council of Wickedness' or the 'Infernal Trio' was at a time when I had been going through intense intercession in the Spirit.

I had been waiting on God on a daily basis to pray and to intercede in the Spirit. I would spend hours on end praying in tongues, doing warfare in the Spirit, and coming into confrontation in the Spirit with the powers of darkness.

By Les D. Crause

I remember one day that I had been praying earnestly. I had been praying in the Spirit, fighting and doing warfare, when I suddenly saw myself appearing in a room that seemed to be an official council room of some kind.

It was like a round table where people were sitting in council in discussion; like a room where plans were made and issued. As I rose up and stood in that room in my vision I saw three people sitting at the table.

I said, "Lord, what am I seeing now?"

Then my flesh went cold, because I realized that I had come into the very council room; the very throne room of the Prince of Darkness. I was standing in the midst of his council and I had appeared in the middle of their discussions.

They looked at me in anger. They were mad. How dare I come up and appear in their secret council that nobody else was supposed to know about!

But the Spirit of God took me into their council. And He showed me that there are three princes of darkness in the Council of Wickedness.

The leader of the Council is of course Lucifer. The second one reminded me of a character I once saw on TV in a horror movie. He was big, strong, bald and ugly. I looked at him and said,

"Lord who is this?"

He said, "It's Pharaoh."

"Pharaoh? But Pharaoh was the king of Egypt."

The Lord said,

"Yes, but there is also a spiritual Pharaoh."

He is the one who poses as the god of this world, because Egypt in the Scriptures is a picture of the world. Pharaoh is usually typified as Satan, the leader and the god of this world.

But the Lord showed me in the Spirit, that Satan has set up one who poses as the god of this world and is in charge of the World System.

He has put him in charge of the economies and monetary systems of the world. All administrative and political functions of the world are controlled by this prince of darkness, who is a spiritual Pharaoh.

Confrontation With Lucifer

I had seen Lucifer before so I knew what he looked like. He appeared to me shortly after God had led me through my prophetic training and had begun to take me into the spiritual realm.

God had led us to move to a coastal city to wait on Him. We were staying in a caravan/trailer park just near the sea, waiting on God and looking to Him concerning direction for our ministry.

One day as I was praying and interceding in the Spirit, a man appeared before me. He was a typical picture of what you would call tall, dark and handsome; a charming good-looking guy.

I had seen angels in the Spirit before, but I looked at him and thought,

"Well he doesn't look like an angel. Angels are normally dressed in white."

This guy was dressed more in a kind of khaki looking clothing and he had dark hair.

I said, "Lord, who is this?"

Then suddenly I realized who it was. It was the Prince of Darkness himself - Lucifer.

He was charming, handsome and friendly. He smiled as he said to me,

"What is all this nonsense about ministry and all these big ideas that you have? Don't you see that you don't have the capability of doing these?

But listen, what is it that you want? Do you want money? Do you want women? Do you want fame and popularity?

What is it that you want? I'll give it to you by all means. Just drop this silly idea of yours. Stop all this praying. Just let it go and forget it. You're wasting your time."

I tell you it was not a pleasant experience. My flesh went cold and I began to cringe. I had dealt with demon forces before. I had cast demons out of people before and been in confrontation with evil powers in intercession.

But now I stood before the Prince of Darkness himself. And who was I to stand against the one that has the greatest power in the Realm of Darkness.

I was filled with fear. I did not know what to do and I thought,

"Lord, I don't know how to handle this. I had better not upset this guy. He has power and he could destroy me. What must I do?"

Then the Word of God rose up within me.

At the name of Jesus every knee shall bow.

Every knee shall bow! That was the key. I turned to him and said,

"Satan, at the name of Jesus every knee shall bow; of things in Heaven, and things in earth, and things under the earth. That includes you, Satan, and every tongue shall confess that Jesus Christ is Lord.

Satan, that includes you and you will bow. You will confess that Jesus Christ is Lord. You will do it **now**! In the name of Jesus I stand against you."

The power of God rose up in me. The Spirit of God came on me and I felt His authority rising up in me. His face began to change as his smile turned to a scowl and he became angry. He was seething mad.

I did not know what he was going to do, but I just laid it on him. I kept laying it on him and saying,

"Bow; bow in the name of Jesus."

He stood there squirming like a snake and then he went down and began to bow. Then he turned around and vanished and he left me.

I know what Lucifer looks like and I have seen him in the Spirit many times. I have also seen a person in this world that looks a lot like him, but I will not mention him.

But I want to tell you that the name of Jesus is greater than the name of Satan. Satan was conquered and defeated on the cross of Calvary.

If you are a child of God, and you have the Spirit of God living in you, you have authority and power in the name of Jesus.

In Satan's Camp

You may say, "What made you so special that Lucifer would appear to you? Why were you such a big threat?"

I have pondered that question many times myself. I said,

"Lord why me? Why would he appear to me?"

Then I read something one day in a Christian magazine. It said that the particular city that I was in at that time was actually the Satanic headquarters of the country. I was in the Devil's domain.

I dare say the chances are that the park where we were staying was probably right near where the main Satanists were

operating. I was in his camp, right there in the middle of his grounds.

I can imagine the demons getting together and the Satanists gathering together to do their devilish things, and they heard a big noise. They probably heard my big mouth coming forth in the Spirit in prayer.

I can imagine they were just doing their thing and they heard somebody say,

"In the name of Jesus..."

They probably said,

"What's that? Where is that coming from? Who is that? Somebody go and sort it out. We can't stand the noise."

Lucifer must have gotten really upset, and the demons figured that if anybody could sort it out he certainly could.

But he couldn't do it, because God had taught me my authority and my position in Christ. I knew the power and authority that there was in the name of Jesus.

Satan's Chief of Staff

That day as I stood in the middle of the Council of Wickedness, I saw another character that did not look so human. He was a scaly looking creature.

I said, "Lord, who is this?"

He said, "Go and look in Revelation and you will find him described. His name is Apollyon and he is the leader of Satan's armies. He is the Devil's Chief of Staff. He is the General in charge of all the demon forces that attack in the earth."

The Lord had shown me in vision that there are these three creatures in control of this world.

There is Pharaoh in charge of the World System. He is in charge of the economies of the world, and the administrative and political functions.

There is Lucifer, who is in charge of the religious systems of this world and the master of deception.

And there is Apollyon who is in charge of the demon forces that attack the people that live in this world.

He attacks them with fear, doubts and evil thoughts and makes them commit suicide. He attacks them with sickness and disease and makes their lives a misery.

This council is Satan's counterfeit of the trinity. If you start trusting God for healing, you will be challenged by the forces that are under Apollyon because those demon forces will attack your body.

They will cause pain and suffering and symptoms in your body. They will question every stand that you have taken to trust God for divine health, and for entering into the promise that says,

By His stripes we were healed.

We will look at that shortly when we deal the subject of healing.

Attack from Pharaoh

If you start trusting God for financial provision, you will be challenged by Pharaoh and the World System is going to squeeze you. The economic system is going to squeeze you, and he is going to try to steal everything you have.

He is going to put financial pressure on you and cause temporal things to go wrong.

He will cause everything in the natural world to go against you, to block and to stop any possibility of God providing for you financially. He will try to prevent God from meeting your needs according to His riches in glory by Christ Jesus.

When you start to transmute from the heavenly realm as I taught in the New Way of Blessing Part 2, it has to be authorized by Pharaoh because he is in control of the finances of the world.

Remember that Satan was given authority in this earth by Adam.

That authority was regained in Christ and we now have greater authority as believers. But as far as the world and unbelievers are concerned, they are still under the control of Satan and his demon forces.

The Council of Wickedness is in control of this World System. If you are looking to the Lord for financial provision, it is going to come through the World System.

The finance that you receive will not come flying out of Heaven. The Lord is not going to counterfeit the bank notes and make them rain down. They will come to you from this world.

If you examine the finances of this world, where will you find them? Where is most of the money in this world?

It is locked up in the underworld. It is locked up in the big crime syndicates, by evil men who own and control, and use their money to manipulate this world.

Let anybody dare to go against their system, rise up and get rich and become a challenge and a threat to them. If that happens you will see them begin to apply pressure.

Let any politician dare to stand up and go against the conspiracy. Let him dare stand up and go against the system. Let him dare to disobey the financial leaders at the top that are pulling the strings and he is in trouble.

They will crunch him. They will squash him and remove him. They will put their foot on him and squeeze him into the ground until he disappears.

You cannot fight the system unless you are a believer. But if you are child of God you have greater authority.

Dealing With Pharaoh

God sent Moses of old to go to the Pharaoh of Egypt with the word,

"Let my people go that they may go and serve me. Let them go into the wilderness to sacrifice.

Let them take their wives, their children, their animals and their herds. Let them take with everything that they own; all their riches and possessions. Let them go and worship me."

But Pharaoh said,

"No, not under any circumstances."

Again and again Moses had to come against him with plague after plague, attack after attack by the power of God, to crumble and break down that resistance from Pharaoh.

Eventually God had to take drastic action before that power was broken and Pharaoh finally gave in. But even after he had given in, he changed his mind and came back, and God had to work again to destroy and remove his power.

Do not think for one moment that if you attempt to exercise the authority and power of God to bring financial provision into the earth, that you will obtain it easily.

You will not be fighting only simple little principalities and powers or even rulers of the darkness of this world. You will be coming against the god of this world himself - the Pharaoh of this world - who will resist you.

He does not want you to get your hands on money that you could use to extend the Kingdom of God in the earth. He will not let you get a cent if he can help it.

Lay it on Pharaoh

You will have to lay it on him. You will have to release the angels of God to do warfare with him on your behalf.

You will have to come against him in the Spirit and by the name that is above every other name. You will have to use the authority and power that you have been given as a child of God.

There are a lot of things that you can do in this world that Satan will become upset about, but he will not hit you too hard. But you dare to exercise faith for financial prosperity, and you have declared war on the Council of Wickedness.

Let anyone dare to preach that believers can be wealthy. Let anyone dare to believe that Christians can prosper financially and have the audacity to exercise their faith for financial provision, and they will be found fighting much higher forces than the average believer fights.

You have likely heard preachers proclaiming the word of faith. They teach and encourage people to take the Word of God and the power of God, and by faith to reach out and receive from the Lord the financial provision that they need.

Why should we be doing this? It is so that we can extend the Kingdom of God in the earth. So that God's people can rise up in power and authority and have their needs met, and so that they can go forth and spread the gospel.

But usually what happens is very different. If someone has a genuine ministry they often have to beg and plead.

They have to coerce the money out of people. They have to work hard to scrape together a few dollars to be able to do the work that God has called them to do.

They desire to rescue people from darkness and bring their souls into the light, but there is no money available. Most ministries have to continually make financial appeals. This is because it is easier to do this than it is to exercise faith and authority.

Doing battle with the Princes of Darkness is hard work, but without it no success is possible. Until the spiritual Pharaoh is forced to give in as it happened with the Pharaoh of old, God's people will continue in slavery to the World System.
